

## **Print instructions of formats for Transit Advertising in Estonia**

Both outdoor- and indoor stickers have to be printed on removable PVC materials.

On Fully wrapped Bus, Moving Billboards and on Back of the bus a 3-5 year durability PVC has to be used.

All stickers should be delivered one week before the start of the campaign.

If you want more information about how to print, please contact your local Clear Channel office in Estonia:

Clear Channel Estonia OÜ
